*Affordable Solutions for Your
Practice and Staff Concerns*

*Empowering Dentists and Staff
to Move Forward Faster*

Suzanne Will Assist Your Staff with:

- Increasing production
- Collections
- New patient flow
- Training for creating treatment action plans and financial arrangements. I use role playing, scripts and life coaching to assist staff in understanding they truly make a positive difference in the lives of their patients. Knowing that, creates purpose and passion for their job.
- Creating the accounts receivable expert in your practice
- Creating the expert in insurance coding and billing in your practice.
- Finding affordable solutions in building your practice

Marie Will Assist Your Hygienists to:

- Realize their full potential
- Increase production by scripting staff in the hygiene room on dialoguing with the patient to support the doctor's diagnosis
- Defining the levels of a Soft Tissue Management Program.
